County Will Try Bremer Suit

A \$600,000 civil damage suit filed by Dora Thompson against Arthur Bremer, convicted of shooting Mrs. Thompson, Gov. George C. Wallace and two other men last May 15 at a political rally in Prince George's County, will be heard in the County's Circuit Court as a result of a court ruling yesterday.

Attorneys for Bremer had asked Judge Ralph W. Powers to order the trial to be held elsewhere in the state because Bremer is neither a resident nor is he employed in Prince George's County. Judge Powers ruled that since

the incident occurred in the county the trial may be held there. Attorneys for Bremer said they may appeal the judge's decision.
